

Determined to Sue: Novel Legal Theories are Failing

The Albertsons-Kroger complaint is the latest lawsuit brought by this administration which has a history of harassing mergers into abandonment or litigation, and then testing novel argumentation that is losing in court.

The administration is harassing mergers into abandonment or litigation

**POST-COMPLAINT
SETTLEMENT RATES
ARE DOWN 29.6%**

**RATES OF COMPLAINT
OUTCOMES ENDING IN
LITIGATION ARE UP 125%**

**This is the first administration in the
21st century to **lose more than they win****
